Subject: Planning & Proposed Collaboration for 63-Foot Shivalinga Project at CHOUREL District Balod chhattisgarh

To: Arvind Chandrakar <arvindchandrakar786@gmail.com>

Dear Arvind Kumar Chandrakar Ji,

I hope you are doing well.

We are pleased to inform you about the planning and proposed collaboration with Arvind Kumar Chandrakar for the execution of the prestigious 63-foot Shivalinga project to be developed in Krishna Shila stone at CHOUREL District Balod, Chhattisgarh.

The proposed Shivalinga will be carved using premium Krishna Shila stone, ensuring durability, aesthetic excellence, and traditional authenticity. Our planning includes coordination on design development, technical execution, stone selection, carving methodology, transportation logistics, and on-site installation.

This project is currently under the planning and discussion stage, and we are committed to maintaining the highest standards of quality, tradition, structural integrity, and timely execution throughout the project.

The quotation and commercial details will be shared once the discussions and project specifications are finalized.

We look forward to your guidance, approval, and continued support as we proceed further with this spiritually significant initiative.

Please feel free to contact us for any further details or discussions regarding the project

Warm Regards,
Dr. Arun Yogiraj
